Quality Seeds

2428 Old Hwy 99 S Rd.
Mount Vernon, WA 98273

We currently donate seed that has been excluded from our active inventory. This means that we cannot guarantee germination, seed quality, or availability. The seed generally comes in larger packages, not small retail packages. As we are constrained by our resources allocated to this cause, we may not be able to donate to everyone who requests. **Those we do donate to will need to pick up at our office (address in header), or will be asked to pay shipping costs, which is about \$15.** We will do our best to accommodate all requests. Thank you!
